BUSINESS TAX PLAN PROPOSED

The Albany City Council prepared its meeting Monday night to vote on a proposition to the voters for the November election which would incorporate a business tax in the city tax structure. A tentative assessment schedule was presented in a motion presented by Councilman Raymond F. Cleary. The tax would be assessed by the council and would be \$20 fee annually on local businesses with an additional \$1 for each employee. Out of town mail and wholesale firms doing business in Albany would pay \$40 and \$25 respectively.

In voting to submit the measure to the voters, the council took into consideration a similar tax measure passed by the council in 1941, which was later repealed in a special election.

A Chamber of Commerce survey of the recommendations of local businessmen in regard to the tax will be submitted within a week, the council was told.

Mayor Charles F. Graeber said that pay raises for policemen and other city employees are still being considered pending final determination of city income for the 1946-47 year.

A request by Mrs. Kathie Zahn, of Santa Fe Avenue, that regulations pertaining to use of the city engineer for study. Mrs. Zahn called attention to an accident June 9 when Nicolas P. Reckas, 485 Thousand Oaks Blvd., was hit the face by fragments from an exploding shotgun shell. She said she had been directed to throw his gun refuse on a fire at the dump.

CHANGES ANNOUNCED IN ALBANY SCHOOLS

The Albany Board of Education at its regular meeting Tuesday evening, July 9, took care of several matters that are of interest to the residents of Albany.

The resignation of C. Robert Laxson, Instrumental Music teacher in Albany High School for the past year, was accepted by the Board. Mr. Laxson is taking a position as music instructor in Chico State College.

The date for the public hearing of the annual school budget was set for 7:30, Thursday evening, August 1, 1946, in the Board of Education room, 1009 Santa Fe Avenue.

The annual contract between the Albany and Berkeley Board of Education, relative to the education of Berkeley children in Codornices, was renewed. EXCHANGE CLUB WINS 4th OF JULY BALL GAME

The Albany Exchange Club defeated the Albany Police and Firemen by a score of 12 to 9 before a capacity crowd at Memorial Park as the curtain raiser of Albany's Fourth of July Celebration. The Police and Firemen went out in front in the first inning with a 3-run lead and the Exchange Club came back in the last half of the first scoring 4 runs to take the lead. The Police and Firemen scored 3 in the first, 1 in the third, 1 in the fourth, 1 in the sixth and 3 in the seventh and the Exchange Club got 4 in the first, 3 in the second, 1 in the third, 3 in the fifth and 1 in the sixth.

Fireman Collins started the game for the Police and Fire and was driven from the mound when Officer Pearson came to the rescue.

Howell pitched for the Exchange team giving up 13 hits while his teammates collected 16 hits and 12 runs. Leading hitters for the Exchange were Cornell with 3 for 3; Reagle 2 for 2 and Glavinovich 3 for 5. For the Police and Fire, Hoeth with 3 for 5; Vercelli 2 for 4 and Collins 2 for 4.

Each Club has one win and the final trophy game will be played off within the next two weeks.

Bride-to-Be Plans Honeymoon At Lake Louise

A honeymoon to Lake Louise, Canada, is the thrilling announcement of Edward Conlon and his bride-to-be, Miss Geraldine Carroll, following their marriage Sunday, July 21, at 3 o'clock at Northbrae Community Church, Berkeley.

The engagement was announced two years ago before Mr. Conlon flew to the South Pacific. Miss Carroll also in service as Sgt. Marine, came from Washington, D. C. to be with him before he left at that time. Recently discharged as "Lieut. in Air Force" Mr. Conlon will make his home here.

Friends of the bride-to-be have been most gracious with surprise parties and showers.

Mrs. Roy Harford was hostess to a surprise party for Geraldine, guests included: Mrs. Gladys Parker, Ethel Streeter, Lillian Murison, Freda Mooney, Eleanor Johnson and Mrs. Alice Carroll.

A beautiful blanket was presented with a string of bride's pearls.

Mrs. Edward Knudson was also hostess to a surprise party of 20 guests for Miss Carroll of the evening of the 10th.

Supervisors to Hear Complaints On Assessments

Supervisor Harry Bartell, chairman of the audit and finance committee, asks that publication be given to the fact that the Board of Supervisors of Alameda County is now sitting as the Board of Equalization and that the final day for filing objections to the assessments of the Assessor of Alameda County is July 15, 1946.

This information is given for the reason that the exemptions voted by the people at the last General Election and the increased number of Veterans' Exemptions necessitate an increase in the assessments of Alameda County. In 1933, during the Depression, a general decrease of approximately ten per cent was made by the Assessor of Alameda County on all assessments in Alameda County. A portion of this reduction was added to the assessments for the coming fiscal year to meet the increased cost of County government.

No corrections can be made after July 15, 1946, unless a protest is filed with the Board of Supervisors on or before that date.

Warning Issued On Roof Material

The Associated Roofing Contractors of the East Bay Counties have issued a warning to home owners against a roofing product being offered for sale in this area which is said to be made of asbestos and fireproof but which, on examination, proved to be only material made of waste paper which would constitute a fire hazard.

Further information on this waste paper product may be obtained from the Roofing Contractors, the Better Business Bureau of Oakland or the Fire Prevention Bureau in Oakland.

ELECTION ON SCHOOL BONDS SET

The Albany Board of Education at its regular meeting, July 9, decided that a bond election will be put before the voters of this city, and tentatively set October 15 as the date on which the citizens of Albany will determine whether a building program to care for overcrowded classroom conditions will be initiated for the schools. Further study of the entire schoolhousing problem will precede a decision and announcement of what amount will be required to meet the current and contemplated housing needs of the schools of Albany.

The building program tentatively agreed upon at Tuesday's board meeting includes the following:

1. The erection of 2 primary schools, each to include the kindergarten through the third grade. One of these will be built west of San Pablo Avenue and north of Buchanan Street on property owned by the School District; the second will be erected north of Solano Avenue on property to be acquired by the School District. The building west of San Pablo Avenue would alleviate the crowded conditions of the Cornell School and make it unnecessary for young children to cross a dangerous highway. The building north of Solano would drain off students from the Marin School, which is the most crowded elementary school in Albany.

2. Razing of the north wing of the Cornell School and the building of a new unit to replace it. This wing was the original "Albany School House," built in 1908. One part of the proposed new unit would be for the classrooms and cafeteria; the second, for the central administration offices of the School Department.

3. The removal of the administration offices from the Marin School to the new proposed unit at the Cornell School, and the converting of this office space to needed classrooms for the Marin school.

4. The building of a swimming pool at the High School. Part of the funds that had already been put aside for this project were used in buying school sites on Pomona Avenue and west of San Pablo Avenue.

5. The purchase of new equipment for the Science Department at the High School and an expansion of, and more complete equipment for, the cooking classes of the Home Economics Department of the High School. Ever since the high school was constructed temporary equipment has been used in these departments.

6. The completion of the original plans for the Auditorium-Gymnasium at the high school to provide facilities for the Music Department.

This proposed building program will care for both the present and the predicted future housing needs for the Albany school children.

BOY FOR THE BARROWS

It is a boy for the Harry David Barrows of Gateview Avenue. The young heir, Harry David Barrows, Jr., weighed in at the Berkeley Hospital June 30, 8 pounds, 6 ounces.

On the paternal side the new member of the Barrows' household claims as his grandparents, Mr. and Mrs. Max Etingoff of the S. P. Corner Store, and the maternal grandmother is Mrs. William Parrott of Albany.

One of Albany's loveliest young matrons, Mrs. Barrows was the former Veryl LaVonne Winsor. Both Mr. and Mrs. Barrows are Albany High School graduates. Harry received his medical discharge from the Army last year after having been wounded while serving in the ETO. He is now in business with his father at the ever popular Corner Store.

Just put it right there!

A tip to veterans planning to build . . . **SAVE A SPACE—**
have a plug-in outlet ready when new HOME APPLIANCES come to work for you.

While you are still planning your home on paper make a layout too, for the furniture, for your lamps and your home appliances so that you have a planned place for everything.

Some of the appliances you want cannot be bought now but you should save a space for them. Then when your new washer, ironer or home freezer is delivered—you "just put it right there" in a specially reserved space. There should be a plug-in outlet there too, so your new home helper can go right to work for you.

Your appliance dealer can help you plan this space. He can tell you exactly how much floor area each appliance needs. Drop in and see the new sample models as now has on display.
